Dear Tammy and Staff of Farrow:

We are writing to thank you for your support of our efforts to meet the needs of families in our community. Some people make choices that change the lives of others, and you are certainly one of those people. Thank you!

Your generous donation of 150 backpacks filled with supplies helped us to provide assistance for those community members in Brantford who, due to life circumstances, find it financially difficult to provide for their children as they go back to school. This year we had a goal to serve 50 children, and we surpassed that by serving double the amount of our goal. We had an additional 58 children on the wait list and then assisted 42 more children in our community. It was such a wonderful feeling to be able to serve every family that needed the assistance this year by hosting our own Back to School program, so we thank you very much for your donations as every little bit counts.

The Salvation Army could not do what we do without the generous support of a caring community. Thank you again for your generous support and we look forward to a continued relationship as we work together to serve the people of our communities.

Sincerely,
The Salvation Army Community & Family Services

William Ratelband Nicole Bouw
